Our Christian Ethos and Values

All policies within the Diocese of Norwich Education and Academies Trust (hereafter referred to as “the Trust”), whether relating to an individual academy or the whole Trust, will be written and implemented in line with our Christian ethos and values.

We have high ambition for all, and we truly value the wider educational experience.

We walk and talk our Christian values. We put people at the centre of the organisation and want to see them flourish and grow. Our schools are inclusive, welcoming those of all faiths and none.

Overall accountabilities and roles

The Trust has overall accountability for all its academies and staff. Through a Scheme of Delegation it sets out the responsibilities of the Trust, its Executive Officers, the Local Governance Committee and the Principal / Headteacher. The Principal / Headteacher of each academy is responsible for the implementation of all policies of the Trust.

All employees of the Trust are subject to the Trust’s policies.

- Admissions Policy
- Behaviour Policy
- Supporting Pupils with Medical Conditions Policy
- Administering Medication Policy
- Anti-Bullying Policy
- Curriculum Policy
- Health and Safety Policy
- Special Educational Needs and Disabilities (SEND) Policy
- Data Protection Policy

1.3 This policy seeks to further the aims of our Trust Vision by continuing to improve access to education for disabled children and young people in three key areas:

- increasing the extent to which disabled children and young people can participate in the full curriculum offered by the Academy;
- continuing to improve the physical environment to increase the extent to which disabled children and young people can participate in all aspects of education and associated opportunities provided by the Academy;
- focusing on how we deliver information to pupils/students, parents/carers and visitors with disabilities, to improve accessibility for all.

2. Definition (Equality Act 2010)

2.1 *"A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities"*

- 2.2 Someone has an 'impairment' if any of their physical or mental abilities are reduced in some way.
- 2.3 A 'substantial adverse effect' means more than just a minor impact on the child or young person's life or how they can do certain things.
- 2.4 'Long-term' means either:
- it will affect them or is likely to affect them for at least 12 months
 - it's likely to last for the rest of their life.
- 2.5 The [SEND Code of Practice 2015](#) summarises the Equality Act duty and says schools must:
- not directly or indirectly discriminate against, harass or victimise disabled children and young people
 - make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled children and young people are not at a substantial disadvantage compared with their peers. This duty is anticipatory – it requires thought to be given in advance to what disabled children and young people might require and what adjustments might need to be made to prevent that disadvantage.

3. Reasonable Adjustments

- 3.1 We will take reasonable steps to ensure inclusion so that pupils/students with disabilities are not disadvantaged in comparison to those without disabilities. This may mean changing the way we work, providing additional resources and removing physical or other barriers where practicable.

This may include:

- providing additional support
 - providing adapted equipment
 - implementing assistive technology
 - making environmental adaptations
- 3.2 The extent to which adjustments are considered to be reasonable will be dependent upon a range of contextual factors including:
- The resources the Academy has and the availability of financial or other assistance
 - The financial and other costs of making the adjustment
 - The extent to which taking any particular step would be effective in overcoming the substantial disadvantage suffered by a disabled pupil/student
 - The practicability of the adjustment
 - The effect of the disability on the individual
 - Health and Safety requirements
 - The need to maintain academic, musical, sporting and other standards
 - The interests of other pupils/students and prospective pupils/students

4. Roles and Responsibilities

- 4.1 Staff members will act in accordance with the Academy's Accessibility Policy and Accessibility Plan at all times.
- 4.2 The Headteacher/Principal will create an Accessibility Plan with the intention of improving the Academy's accessibility.
- 4.3 The Accessibility Plan will be monitored annually by the Headteacher, or their representative, in line with Appendix 2.
- 4.4 All staff members are responsible for ensuring that their actions do not discriminate against any pupil/student, parent/carer or colleague.
- 4.5 The Headteacher/Principal will ensure that staff members are aware of individual pupils'/students' disabilities or medical conditions where necessary.

- 4.7 The Headteacher/Principal is responsible for consulting with relevant and reputable experts if challenging situations regarding pupils/students with disabilities are experienced.
- 4.8 The Headteacher/Principal and Senior Leadership Team (SLT) will work closely with the Trust, the [Local Authority Accessibility Strategy](#) and external agencies to effectively create and implement the academy's Accessibility Plan.
- 4.9. The Special Educational Needs and Disabilities Co-ordinator (SENDCo) will work closely with the Headteacher/Principal to ensure that pupils/students with special educational needs and disabilities (SEND) are appropriately supported.
- 4.10 Staff members will partake in training on inclusion and equality, with reference to the Equality Act 2010.
- 4.11 Designated staff members will be trained to effectively support pupils/students with medical conditions as necessary (e.g. understanding how to administer insulin).

5. Accessibility Plan

- 5.1 The Accessibility Plan will complement and support the Academy's Equality and Diversity Policy as well as the Special Educational Needs and Disabilities Policy.
- 5.2 The Inclusion & Provision Self-Evaluation Framework (IPSEF), Norfolk Accessibility Self-Evaluation Framework (NASEF) and/or Trust Health & Safety audits will be used to inform priority areas for Accessibility Planning.

- 5.3 The Academy's Accessibility Plan will demonstrate how access will be improved for pupils/students with disabilities, staff, parents/carers and visitors to the academy within a given timeframe.
- 5.4 The Accessibility Plan will be used to advise other academy planning documents and will be reported upon annually in respect of progress and outcomes.

- 5.6 Both the Accessibility Policy and Accessibility Plan will be published on the Academy's website.
- 5.7 The Academy will collaborate with the Trust and Local Authority in order to effectively develop and implement an appropriate Accessibility Plan.

- 6.5 Wherever possible, teaching staff will adapt their lesson plans and the curriculum in order to allow all pupils/students to reach their full potential and achieve success.
- 6.6 The Academy will ensure that all extracurricular activities are accessible to all pupils/students. - 8.2 No pupil is excluded from any aspect of the school curriculum due to their disabilities or impairments.
- 8.3 Through high-quality, adaptive teaching, the Academy aims to provide a curriculum which enables all pupils/students to feel secure and to make progress.
- 8.4 There are established procedures for the identification and support of pupils/students with SEND in place at the Academy.
- 8.5 Detailed information on pupils/students with SEND will be shared with relevant staff in order to aid planning and teaching, e.g. SEND Support Plans.
- 8.6 Where they have one, the class teacher and/or head of department/leader for each subject, with guidance from the SENDCo, will adapt a pupil/student's Assess, Plan, Do, Review (APDR) plan, to help overcome and remove barriers to achievement.
- 8.7 Where target setting is not appropriate for a pupil/student (e.g. due to physical disability) a Reasonable Adjustments Plan (RAP) may be used to identify the provision and adjustments needed. This may be in addition to or instead of an APDR plan.
- 8.8 Practical lessons such as PE, Music, DT and Art, will be adapted appropriately, to allow pupils/students with physical disabilities to participate in lessons.
- 8.9 Where specific areas of the curriculum present particular challenges for a pupil/student, these will be dealt with on an individual basis.
