

Wednesday 24<sup>th</sup> June 2020

Hi Reception children,

We are half way through the week! I hope you are enjoying learning about Spectacled Bears in Peru.

On this plan you will find today's virtual Maths, Phonics and Handwriting. In Maths yesterday you learnt about subtraction, today is all about subtraction (the opposite!). In Phonics you are learning the trigraph 'ear' and for handwriting we are learning how to write some more tricky words.

<p>Maths</p> <p>Mental Maths- 10 mins</p> <p>Maths activity- 15 mins</p>	<p>The dragons have many lessons, one of them is flying. Today you need to count how many dragons there are and how many are left when some fly away.</p> <p>Watch the video opposite by holding down CTRL and click on the picture. Are you ready to warm up singing the days of the week?</p> <p><b>Task 1-</b></p> <div data-bbox="411 1482 820 1868"></div> <div data-bbox="411 1906 839 2078"><table border="1"><tr><td>●</td><td>●</td><td>●</td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td></tr></table></div> <div data-bbox="863 1003 1390 1458"></div> <p><b>Talking Together</b></p> <p>The dragons are practising their flying.</p> <p>First there were ? dragons.</p> <p>2 flew away.</p> <p>How many now?</p> <p>Tell us the story.</p> <div data-bbox="911 1906 1339 2078"><table border="1"><tr><td></td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td></tr></table></div>	●	●	●																	
●	●	●																			

### Talking Together

The dragons are practising  
their flying.  
First there were ? dragons.  
1 flew away.  
How many now?  
Tell us the story.

### Talking Together

The dragons are practising  
their flying.  
First there were ? dragons.  
2 flew away.  
How many now?  
Tell us the story.

### Talking Together

The dragons are practising their flying.

First there were ? dragons.

4 flew away.

How many now?

Tell us the story.

### Task 2-

### Digging deeper

Can you make up your own subtraction problems?

First there were ? dragons.

? flew away.

How many now?

Tell us the story.

Task 3- Look at the answers to the subtraction problems:

Which ones had more dragons left?

Which had fewer?

Can you work out the difference between the fewest and most?

Don't forget to share what you have been up

## to on Class Dojo!

Phonics  
15 mins

In today's Phonics you are learning about the "ear" digraph. Are you ready?

<https://www.youtube.com/watch?v=lYlQnQ5oA4c>

Want to do some more?

Have a go at finding the "ear" trigraphs in the story attached. You could use a highlighter or a pencil or just have fun spotting them on the screen!

Handwriting  
15 minutes

Today we are using our fantastic letter formation again to write some tricky words which cannot be sound-talked.

Remember the catchy song?

CTRL  
and  
Click on  
the  
picture

Tall letters stretch to the sky, short letters stay in the grass, and some letters dig underground!

a b c d e f g h i j k l m n o p q r s t u v w x y z

Now practise writing these words in your book-

he

she

all

Now try writing this sentence-

She ate all the sweets.
