

Monday 6th July 2020

Hi Year 1 children,

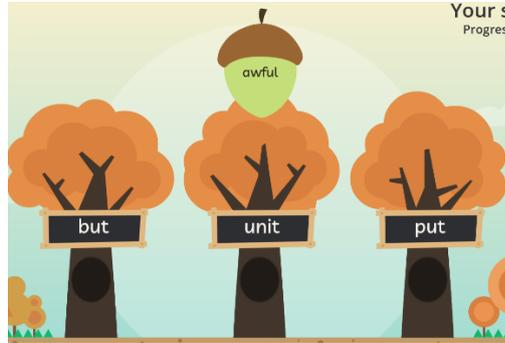

It's a new week and we are fast approaching the end of the school year!

On this plan you will find today's virtual Maths, Phonics and Handwriting. In Maths you are learning to describe position, in Phonics you are learning an alternative "u" phoneme and for handwriting you are learning how to read and write the number words 'eight', 'seven' and 'six'.

Want to do some more?

Have a go at playing 'Acorn Adventures'. Look at the word on the acorn. Soundtalk the word. Decide how to pronounce the words with 'u'. Drag the acorn to the tree that

shows a word with the same pronunciation.

Handwriting
15 minutes

Today we are using our fantastic joined letter formation again to write some number words which cannot be sound-talked.

Today practise reading and writing-

eight

Seven

six

There are seven days in a week.

This video shows you how to write the cursive alphabet-
