Sing a 'one more' rhyme where you add one animal or object each time.  
It would be great if you could use some props from around your house to act out the rhyme as you sing.

Now have a go at thinking of your own 'one more' rhyme to sing.

Handwriting

Remember you do not have to use a pencil or pen today. You could use flour, sand, mud, sticks, oats or a brush and water.

Can you practice the letter o?

Write the letter, words and a sentence. Make sure you are making your tall letters tall, your long letters long and you are trying to keep your letters the right size. If your child struggles to form letters, practice writing in the air and carpet and show them how to write it first.

Try writing:
